Cans and Bottles

The PTO would like to remind parents that we are no longer collecting bottles and cans at the school on the first Wednesday of the month. Parents can now take recyclables to the redemption center and mention they are making a donation for Our Lady's Academy.

The address for the Month of October is:
200 Trapelo Road, Waltham (on the grounds of the Fernald Center)
M-F 9-4, Sat 8:30-3:30

The center will be moving November 1st to 23 Summer Avenue, Waltham (just off Lexington Street near the police station, behind the former Hollywood Video). Hours of operation will remain the same.

Thank you for continuing to support your Our Lady's Academy PTO!

SCHOOL DIRECTORY UPDATE

Each year, the PTO publishes a school directory with contact information provided by school families. Look for it this month!

Don't Forget to...

- turn in your Box Top\$ for Education labels this week. A bin is located at the front entrance to the school.
- submit Tag Day payment if you haven't already.
- check out the PTO page at the OLA website!

Thank You!

Special thanks are due to:

Mary-Clare Cavanagh for volunteering to coordinate the ongoing library revitalization project. Thanks also to the volunteers who catalog and shelve books on a regular basis.

Thank you also to **all of the room parent volunteers** for offering to help organize classroom activities and parties. More information to come soon!

We Are Family

The PTO's goal is to foster a positive school spirit through activities that involve parents, students, faculty, staff, and parish as a whole. In doing so, PTO supports the school and classroom libraries, sponsors specific fundraisers, and helps fund and organize enrichment programs and social events. Check out the PTO section at our school website, www.ourladysacademy.org, and consider becoming an active member of the PTO family! Join us at the next meeting or send us a note!
