

I hope you had a great school year! I am already looking forward to next year, when we can get back to improving your reading skills! To make sure you are ready to really get learning in September, while you are on vacation, I want you to practice MobyMax at least an hour a week for eight weeks over the summer. I have made sure that the website is accessible in China. This work will be your first grade in Term 1 of the school year.

If you have any questions, please email me. Sarah.Treacy@ourladyacademy.org. I will reply to you as quickly as I can. Have a great summer! I look forward to seeing you in the fall.

2. After you take the reading level assessment, I want you to spend your time in the sections listed below. I know some of the material will be VERY easy for you, but the program will quickly move you through until you reach material that will challenge you.
