OUR LADY'S ACADEMY STUDENT COUNCIL

There is so much going on at OLA, did you know that Student Council is an integral part of the Middle School and day to day responsibilities around the school? In this edition of the Newsletter, we will shine a spotlight on OLA Student Council:

Under the stewardship of Mr. Perry, OLA Middle School's Social Studies Teacher, students in grades 6th-8th grade are encouraged to get involved and learn more about civics through participation in Student Council.

Members elected to Student Council are responsible for many operations around the school including: daily prayers and announcements, Holy Day prayer ceremonies and assemblies throughout the year, charitable fundraising and volunteerism in the community, and selected Catholic Schools Week activities! They are also charged with organizing Student Council elections, speeches and campaigns each year. This element is so important in teaching students how to become responsible leaders within their school and local communities with a focus on the democratic process and service to others. The Parent Teacher Organization would like to thank MR. PERRY and the STUDENT COUNCIL for all they do around OLA and for putting in the time and effort to shape and become our next leaders!
